Sir,

Upon examining Prices Current after writing to you yesterday, I found that I overestimated the price of soda-ash, when I stated 3 ¢ as the present price, but it was 2¼ ¢, as stated above the list of prices.

I have just rec^{d} a corrected bill from Savage & Stovell @ 2¼ ¢, sent I suppose when my note of 4th inst. drew their attention to it & I asked for statement of percentage of real alkali.

Respectfully yours
